Dear Parents and Carers

Please refer to the website for purchasing of bus passes for next year.

I am writing to let you know that there will be an increase in bus fares for 2018-19 as below;

£4.00 increased to £4.20 for the daily return fare

£3.00 increased to £3.20 for the daily single fare

£460 increased to £480 for the annual travel pass (saving 40% on daily return)

3 staged payments of £200, £200 and £99 increased to £210, £210 and £105 (saving 35% on daily return)

These increases are the result of rising fuel costs and no increases in some recent years.

Please note that the College subsidises the bus fares across the board to the extent of approximately 25% and this is retained for 2018-19. However, you will be aware of the financial pressures in education at the moment so over the next few years, the general level of this subsidy may not be sustainable. Regrettably, we are no longer able to offer a discount for siblings in 2018-19 as an immediate consequence of this.

Subsidy arrangements for financial hardship remain unchanged – please see the website for details.

Yours sincerely

P Nickson
