## Re: Geography Trip to the Holderness Coast, Year 12

Dear Parent/Carer,

The Geography department has organised a trip to the Holderness coastline for Year 12 students.

During this trip we will be looking into coastal processes and environments (physical geography) and regenerating places (human geography).

This trip forms part of the coursework component in which students are required to undertake an **independent investigation** known as a non-examined assessment. This involves fieldwork to be carried out independently and based on this producing a written report that counts to 20% of the final grade.

Students' investigations will incorporate fieldwork data that they have collected themselves, during the summer holiday and they may also use the data collected during this within their NEA. We shall teach them the techniques that they can use for this NEA, during this trip.

We will be staying at YHA Scarborough, The White House, Burniston Road, Scarborough, North Yorkshire, YO13 0DA. Students will not be allowed out of the field center without staff supervision.

This is a compulsory trip. If your child is in receipt of the 16 – 19 bursary and requires assistance with financing this trip, or if you require any financial assistance, please contact finance by phone or email: [finance@allhallows.org.uk](mailto:finance@allhallows.org.uk).

The trip will take place from **Monday 19<sup>th</sup> to Tuesday 20<sup>th</sup> June 2023**. We will leave school **early** at 8:00 and return the next day at around 16.30 (traffic dependent). Hot dinner and dessert on the first night, full cooked breakfast and packed lunch on the second day, are all included in the price along with transport via coach, accommodation and all activities. The price is **£115**.

Please pay a deposit of £15 via Friday 25<sup>th</sup> November and the balance via ParentPay by **Friday 19<sup>th</sup> May at 15.00**. Should you have any queries please contact Miss Sandler: [N.Sandler@allhallows.org.uk](mailto:N.Sandler@allhallows.org.uk).

**Behaviour will be assessed in the run up to the trip, any adverse behaviour will be discussed and reported to parents and if improvements are not made then removal from the trip may happen and any money paid towards the trip will not be refunded. By accepting a place on this trip, you agree to your child abiding by school rules and staff instructions at all times.**

Yours faithfully,

Miss N Sandler (Subject Leader of Geography)
