15 March '24

Dear Parent / Carer,

All Hallows Catholic College offers a home-to-school bus service, operated by smart transportation company [Zeelo](#).

Zeelo provides bus services for organisations across the country with services built on technology, including online booking platforms, 24/7 customer support, live vehicle tracking and status notifications for every service.

The taster day on Monday 1st July '24 it would be a great opportunity for you to try the transport service in preparation for the new academic year. If you would be interested in using this service on this date, please visit our transport booking platform [here](#).

After creating an account, please choose the Year 6 Induction Day ticket option where you can purchase discounted single and return tickets.

To find a stop near to you, please use the postcode finder. If there is currently not a stop close to you, please choose the Request a Stop feature. Zeelo will assess all requests and introduce new stops where possible in time for the start of the Autumn Term.

We kindly ask you to book your seat by Friday 21st June to ensure that we can cater for the additional students on this date.

We are excited to be able to monitor and show the impact of our sustainability efforts with this level of shared transport. Zeelo offers 100% carbon neutral services. Working with Climate Partner, they are able to measure and offset their GHG emissions, delivering clients and riders carbon-neutral emission-free transportation services.

If you have any questions, you can see some [FAQs here](#) or can contact the Zeelo team 24/7 on their website live chat, by emailing contact@zeelo.co

Kind regards,

C North
