

All Hallows Catholic College Newsletter - Michaelmas Term

Issue 6 Friday 11th October

Dear Parent / Carer

On Thursday we held our first rewards trip, recognising the excellent attitude to learning that so many of our students have demonstrated so far this year. It was a very successful day, with lots of tired-looking students (and staff) returning to school on Thursday evening, from either Alton Towers, Waterworld or Bowling and the Cinema. Congratulations to all of those young people who were invited. Year 7 had a productive day in College, completing a variety of team-building activities and attending the All Hallows SHINE Study Skills Conference. All the other students who remained in College, either helped out with the Year 7 day, had a choice of orienteering, PE activities, fitness work, or helping on the Farm.

Year 7 Information Evening on Monday was very successful. We held it in the Romero Conference Centre, as we had a good idea from reply slips received how many would be attending. In the future, we would really like to have enough parents and carers attend for us to need to use the main hall. Feedback from those who attended was really positive. Presentations from the evening will be placed on the new College website.

Another reminder that on Thursday 17th October we are holding our Year 11 Post-16 Curriculum Evening, where students and their families will have the opportunity of finding out more with regard to the post-16 qualifications on offer in our Sixth Form.

Thank you for your continued support. If you ever wish to contact me about any issue, please do not hesitate to email me via my PA, Mrs Metherringham, at principalpa@allhallows.org.uk.

Faith Life

Our Weekly Prayer

Dear God you have called us to be teachers and students together. As pressures become burdensome, help us never lose sight of our mission. May your love provide us with the comfort and confidence we need to meet all of life's challenges. May our faith be an inspiration to all those with whom we live, work and study. Amen.

This week's assembly theme: Mental health Awareness: I was sick and You cared for me.

Harvest Festival—Food Hampers

A big thank you to all who have contributed to the SilkLife Foodbank appeal so far. There is still time to contribute a non-perishable food item. All items should be donated through tutor groups.

Chaplaincy Team—This Week's News

Mini DASH Conference

This week members of the Chaplaincy Team visited another Catholic school in the diocese to discuss topics relating to Catholic Social Justice. This regular meeting together is called 'Mini-Dash'. During the event we made flags together with several other schools to be taken to London and hung on the Bridge of Faith

to protest against climate change. All Hallows students especially wore bright rosary beads and colourful Chapel bands to raise money for CAFOD 'Brighten Up Day'.

Mass

In the Chapel we held our Mass this week with Year 9 on the theme of Friendship. The celebrant was Father Peter Cryan and the readings and reflections were read by students. We have been remembering particularly to ask the intercession of Blessed John Henry Newman who will be canonised as a saint this weekend.

Harvest Festival

In the Chapel we have been focusing on the 'Year of the Word' declared by Pope Francis. We are considering how this links with Harvest and are 'harvesting' our words to encourage one another. We are also considering what Mission means to us personally as Pope Francis also declared October an 'extraordinary month of Mission'. This has sparked discussion about mission in terms of motives, commitment and belonging.

We are creating a space in the Chapel to collect the Food Donations for SilkLife Foodbank and we can't wait to start receiving the items in from each tutor group.

Macclesfield MP, David Rutley, Visits All Hallows

Left: David Rutley answering a question from one of our 6th formers.

On Friday 4th October, local MP David Rutley visited All Hallows for his own Question Time session with students from all year groups. Originally, David was invited by the Eco Council after they met him in the Houses of Parliament back in the summer following the Time is Now lobby. The students felt that they needed more time to ask their questions about the Government's action on climate change issues.

David started the session with an overview of his life as an MP and described how he had to get the balance between speaking for constituents in parliament and supporting governmental policy. He also described his work as a DEFRA minister.

Questions came thick and fast on a wide range of issues related to the environment, locally, nationally and globally. Alex Insley, in Year 13 asked David's opinion about building on the greenbelt and the questions flowed from there. Michael Sleight, in Year 7, raised the problem of unpaid litter fines. Ben Patten, in Year 8 proposed

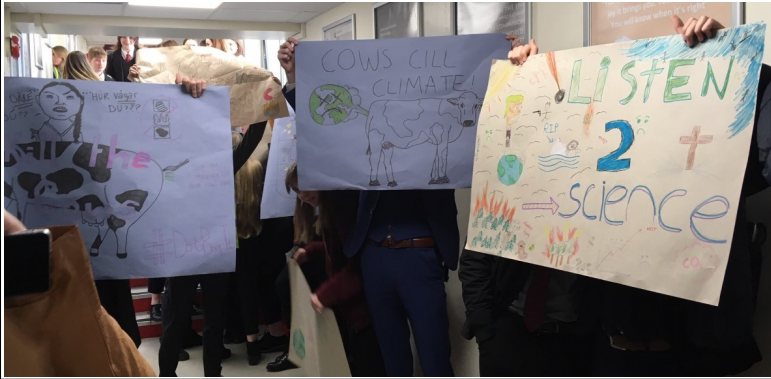

cheaper bus fares to encourage Maxonians to use public transport more. David answered each question, giving an overview of his work locally and nationally to try to tackle these issues. Mrs Sutton, who organised the event, said she was extremely impressed by the questions our students asked and their commitment to wanting to make a difference. David described how he was 'very impressed to hear for myself the strong interest and concern of the young people at the College to address this pressing challenge.'

Left to right: Mr Howells (Head of Sixth Form), Alex Insley (Year 13), Eleanor Wood (Year 13), Orlagh McKendry (Year 13) and David Rutley.

Eco Tip for this week:

Students: please remember to put any plastic bottles in the correct recycling bin in the canteen. Please do not contaminate it with other stuff as this is the ONLY recycling that is effective in College currently.

Pictured left are a group of 6th formers who recently held a spontaneous climate change rally in school at break time. This was to raise awareness of the issue and encourage other students to join the Eco Council and get involved.

LIBRARY NEWS

Opening Hours

Monday – Thursday 8.15am – 5pm
Friday 8.15 am – 4pm

Borrowing Books

Years 7 – 11 2 books 2 weeks
Years 12 & 13 3 books 3 weeks

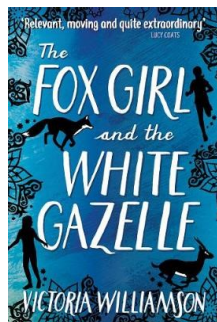

Please return books on time! Items can always be renewed up to 3 times, at the Library desk.

Book Amnesty

A significant number of books are not being returned to the library. Therefore, if you have any AH or ELS library books at home, I would ask kindly that they are returned, no questions asked. This will mean more books for our students to choose from and enhance the library stock, helping our budget go further. Thank you, in advance, for your support in this matter.

There are a number of GCSE study guides that have also 'disappeared' from the library and we would appreciate being returned so that year 10 students can use them.

This Week's Recommended Read: The Fox Girl and the White Gazelle

Reema runs to remember the life she left behind in Syria. Caylin runs to find what she's lost. Under the grey Glasgow skies, twelve-year-old refugee Reema is struggling to find her place in a new country, with a new language and without her brother. But she isn't the only one feeling lost. Her Glaswegian neighbour Caylin is lonely and lashing out. When they discover an injured fox and her cubs hiding on their estate, the girls form a wary friendship. And they are more alike than they could have imagined: they both love to run. As Reema and Caylin learn to believe again, in themselves and in others, they find friendship, freedom and the discovery that home isn't a place, it's the people you love.

Shelf Help Section

In the library we have a collection of books that can support the mental health and well being of our students. There are lots of 'self help' books that deal with common issues our young people face, such as stress and anxiety. Several books focus on Mindfulness, which can provide students with strategies to cope with their feelings. There is also a collection of novels with storylines that feature common 'life' issues. We also have a Mindfulness jar which contains a selection of ideas for students to use at break times.
