Issue 23

Friday 6th March

Dear Parent / Carer,

This week's assemblies were delivered by our Sixth Form students who visited India over half-term. They talked about the impact of the College's fundraising over recent years, and shared some of their most noteworthy experiences, including the visit to the Health Clinic and distributing the gifts to the children. Mrs Metheringham, Mrs Turley and Miss Wood also led staff prayer on Wednesday, focused on the India visit and what they will take from the trip. The Year 10 & 11 trip to Poland and Auschwitz leaves today, and we wish the party the well with what will surely be a very special and emotional experience.

Year 7 students travelled to the Bridgewater Hall on Tuesday, for the Halle Youth concert, and Year 12 students attended the Higher Education Conference in Manchester on Wednesday, as well as visiting the Manchester Buddhist Centre. Thank you and well done to the Choir, who sang, instrumentalists and dancers who performed at St Michael's Church yesterday. Pictured below is Liam Bath who played a solo on the piano.

Those Year 11 students who are planning on joining our Sixth Form next year are attending interviews in College today, and on Monday the offers to next year's Year 7 were sent out, by the Cheshire East Admissions Team. One of the main reasons All Hallows continues to be so popular with new and prospective parents is because of 'word of mouth'. Your endorsement is the best form of publicity for the College and it is very much appreciated.

Once again, thank you for your active support and involvement in your child's education. If you wish to communicate with me on any issue, please do not hesitate to email me via my PA, Mrs Metheringham, at principalpa@allhallows.org.uk.

Tim Beesley, Principal

Faith in Action

Weekly Prayer

Almighty and Everlasting God,
You have given the human race
Jesus Christ our Savior as a model of humility.
He fulfilled Your Will by becoming Man
And giving His life on the Cross.
Help us to bear witness to You
By following His example of suffering
And make us worthy to share in His Resurrection.
We ask this through our Lord Jesus Christ, Your Son.

Weekly Assembly : Sixth Form Students India Trip

This week our assemblies were led by the group of sixth formers who went to India at half term. The students, who were dressed in traditional clothes from the region, show a video of the highlights of the trip, as well as describing how the whole experience has impacted on them. For the final part of the assembly, Mrs Garvey issued the annual Lenten challenge to students: to fundraise in their form groups to help continue the amazing work the health clinic in Varasanadu. Each form group will aim to raise £30 and over the next few weeks will be holding a variety of events, which we will feature in the newsletter. Our students will be demonstrating our core values of compassion, honourable purpose, stewardship and co operation while taking on this challenge.

Next week's assemblies will be delivered by SLT on the theme of International Women's Day.

Mass for Former All Hallows Headteacher

A Mass is being offered for former Headteacher, Mr W Backledge who died late last year. Former colleagues and students are invited to the Mass which will take place at St Alban's Catholic Church, Macclesfield on Saturday 28th March at 12.00 noon.

Core Value of the Week: Respect

We welcome and show respect for the dignity and diversity of every person. It is our belief that 'Every Child and everyone Matters' to God because we are created in 'His image and likeness.'

'So God created humankind in his image, in the image of God he created them.'

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin It

Kill It
by washing
your hands with
soap & water or
hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks
& sport
activities

Before
cooking
& eating

SCHOOL
ETC.
On arrival at
any childcare
or educational
setting

After using
the toilet

Before
leaving
home

Try not to touch your
eyes, nose, and mouth
with unwashed hands

Do not share items that come
into contact with your mouth
such as cups & bottles

If unwell do not share items
such as bedding, dishes,
pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

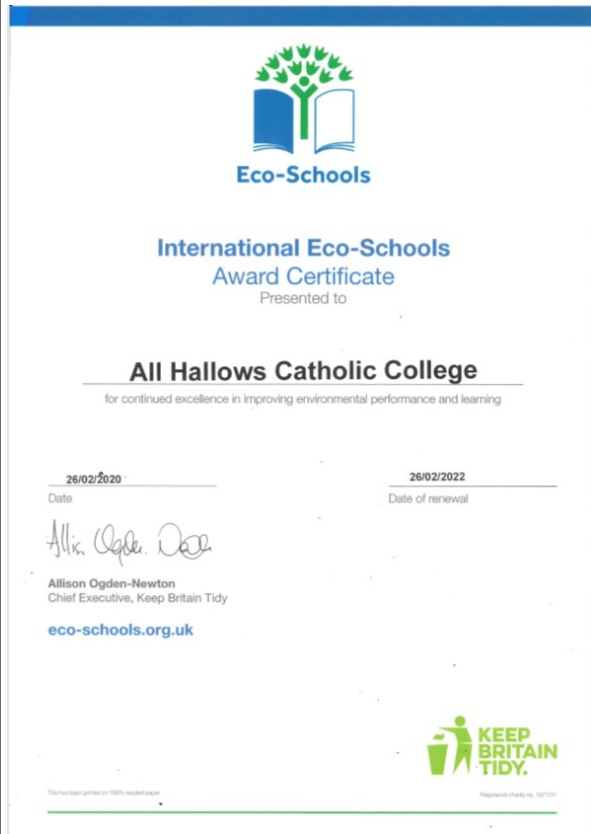

See **NHS.UK** for advice on coronavirus.

ECO Council News

Green Flag Award Assessment

Mrs Sutton wanted to share the positive feedback from the Green Flag Award Assessor:

'Students on the Eco Committee were really enthusiastic about their eco work. The students were polite and well mannered and very keen to talk about and show me their eco projects, including their impressive school farm outside. They are passionate about taking action on climate change and have spoken with their MP, attended a schools trike in Macclesfield and organised a Love Your Planet day to show everyone in their local school what they are doing for eco and their environment. Continue to spread the eco message, especially with other local schools. Well done to everyone.'

Pictured left, is the certificate All Hallows has received and will be displayed in Reception for all our parents and visitors to see.

Students on the Eco Council, pictured below, were treated to a reward of hot chocolate and cookies in the school canteen today.

Eco Tip: Greener Handwashing

As we are paying attention more to our hand hygiene at the moment, think about opting for refillable liquid soap dispensers, making sure that you recycle empty containers and don't leave the water running while washing.

Making your own 'foam' to wash with, by mixing liquid soap and water in a dispenser and shaking it thoroughly to produce a foam that only needs rinsing after washing, thus saving water as well as using less product.

Student Links—Spanish Experience

This year All Hallows is again inviting families to host a Spanish student from the Student Links programme during June and July. These are students who have finished their academic year and are keen to spend part of their summer holidays improving their English by sharing lessons and home life with a student in England. This is an ideal opportunity for your child to develop their language skills whilst forming an enriching life-long friendship with a “Spanish amigo” of the same age and gender who shares similar interests. The programme is open to all students, not just those who are currently studying Spanish.

DATES: Saturday 20th June to Wednesday 15th July 2020

ALLOWANCE PAID: £800.00

SPARE ROOM: not essential, but if sharing it must be with the "English buddy"

REWARD TRIP FOR GOOD HOSTS AND MENTORS: when hosting the same student for a second year, All Hallows students will have the chance to travel to Spain at the end of July, immediately following the Spanish student's visit, for the low price of £300 (taken off the allowance of £800) and to spend a week at their new "Spanish amigo's" house, or alternatively at EVES Sailing and Water Sports Summer Camp.

You can google: <https://youtu.be/gC8sO-BXhKE> to see their video.

The price of £300 includes return flights (20kg luggage), travel insurance and Student Links' 24 hour Assistance.

If you would like your child to take advantage of this exciting opportunity, you can find more information and application details on Student Links' web page www.studentlinks.es or by sending a text message to their Coordinator, Ana Martín, on 00 34 607 710 241.

Year 7 Visit the Halle Orchestra

The Music Department took 120 Year 7 students to see The Hallé for Youth concert at The Bridgewater Hall on Tuesday. The concert focussed on how music can make you feel and the programme ranged from Bizet and Wagner to Anna Clyne and Michael Giacchino. It even included some audience participation with the whole audience singing a song with The Hallé Orchestra. Students represented All Hallows very well and remained an attentive audience.

All Hallows Students Perform at Music@Mikes

Mr Thompson, Miss Mellor and Mr Moulsher took dancers, singers and instrumentalists to St Michael's Church for a lunchtime concert on Thursday. The Choir and Year 10 Dancers provided ensemble performances, while Liam Bath, Emily Massey, James Wood and Libby McKinstry performed solo pieces to a very appreciative audience.

Drama Club

The Drama club are currently creating a performance of *The Boy, The Mole, The Fox and The Horse* written and illustrated by Charlie Mackesy and one of the bestsellers in 2019. It is a story about four friends who share a deep, unshakable bond. The story is a celebration of warmth and empathy, exploring kindness and the power of friendship. This adaptation for the stage will be brought to life using shadow puppets, music and the creative talents of a group of students from All Hallows.

The group are working on the production every Tuesday lunchtime and will be performing it on Thursday 2nd April.

World Book Day

In what has become an annual All Hallows World Book Day tradition, several of our staff dressed as characters from books, to celebrate all things literary. This year, characters were from the works of Roald Dahl, John Steinbeck, Truman Capote and A. A. Milne were teaching our students.

Can you guess who these teachers are dressed up as? Answers in the box below!

6th Form News

Year 12 UCAS Convention and Buddhist Centre

Year 12 travelled into Manchester this week to attend the UCAS Conference and visit Manchester Buddhist Centre (pictured, left). Unfortunately, the trains conspired against us as there was no service from Macclesfield to Manchester on Wednesday morning. Students not coming from Macclesfield managed to make in on time. The ten students who did make it, along with Mrs Garvey and Mrs Morgan, went to the Buddhist Centre to learn more about Buddhism and meditation.

The rest of the students embarked on a rather less serene journey out to Stoke before getting on the train back to Manchester. Eventually we all made it to Piccadilly gardens and met up. We arrived at the convention and students spent time visiting the different university stands and collecting as many free pens as they could!

Students really enjoyed the experience and it is a great starting point for them on their journey to higher education. Our next step will be to enrol Year 12 with Unifrog so they can start to record their experiences and plan for their personal statements.

Apprenticeships

Lots of apprenticeship opportunities are live for year 13 at the moment following National Apprenticeship week. You can use Unifrog to access them and on the National Apprenticeship website. Lots of big companies like Astra Zeneca and Siemens will close soon. Manchester Metropolitan recommended using their website for degree apprenticeships also.

Year 13 Mocks

Year 13 Mocks will take place week commencing the 16 March. Parents and students should work together on revision in some of the following ways:

Revise in a 'public' area at home or leave the bedroom door open

Revise away from phones and the internet

Get organised and set up a revision timetable covering all three subjects

Test yourself regularly—maybe with a 'study buddy'

Use a variety of methods, mind maps, flash cards, past paper questions

Year 12 Aberystwyth University Trip

As part of their enrichment and preparation for Higher Education Year 12 will visit Aberystwyth University 6-8 July. This is a unique opportunity for students to experience university life for themselves.

Please note the extra-curricular clubs for this half term (after school clubs finish at 4.15pm)

Please note that if your son/daughter is to be excused from PE due to not feeling well, injury or anything else of this nature that they MUST bring a written note from home along with their PE kit and get changed. They will participate in the lesson as a coach, timer, and scorer or help in whatever way they can as part of the lesson. The only exception would be if their arm or leg were in a cast, which would make it extremely difficult to get changed in the appropriate time scale of a lesson.

PLEASE DO SEE THE EXTRA CURRICULAR TIMETABLE FOR THE CLUBS THAT ARE PUT ON DURING THE DAY AND AFTER SCHOOL. SOME ACTIVITIES HAVE CHANGED THIS HALF TERM AS WE HAVE NO NETBALL MATCHES. THERE IS STILL ONE NETBALL NIGHT FOR ALL YEAR GROUPS AND WE HAVE INCLUDED A GYMNASTICS SESSION AND A RUNNING CLUB AFTER SCHOOL.

International Women's Day on 8th March

Little Women by Louisa Alcott

"I am not afraid of storms for I am learning to sail my ship"

Meg is the eldest and on the brink of love. Then there's tomboy Jo who longs to be a writer. Sweet-natured Beth always puts others first, and finally there's Amy, the youngest and most precocious. Together they are the March sisters.

Even though money is short, times are tough and their father is away at war, their infectious sense of fun sweeps everyone up in their adventures - including Laurie, the boy next door. And through sisterly squabbles, their happy times and sad ones too, the sisters discover that growing up is sometimes very hard to do.

Born in Philadelphia in 1832, Louisa May Alcott remains one of the world's best-loved American authors. Best known for Little Women and its sequels, Alcott was a noted feminist, abolitionist and her novels are still celebrated for their championing of independent thought and women's liberation.

Overdue Books

A big thank you to all students who return their books on time! If students can make sure that they check the date label, inside their borrowed

books, to see when their books are due back. library, or see Ms Sinclair to renew the item(s). for a further two week loan.

Online Safety Information for Parents

As part of their Wake-Up Wednesday campaign, please see the latest poster below from the National Online Safety campaign. Log onto the following website for further information, <https://nationalonlinesafety.com/resources/wake-up-wednesday/>

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

The latest digital trend growing in popularity for our children are apps on their phone or tablet that look like one thing but are secretly hiding another purpose. They first became particularly popular in 2016. However, children are becoming more and more familiar with 'secret' photo hiding apps, where an app which looks relatively ordinary is actually a hidden gateway to private photos and videos. These apps allow their users to hide images, videos and notes within the app which is also passcode protected. One of the most common types of hidden app used is a 'fake calculator' app however many others are also available.

What parents need to know about HIDDEN PHOTO APPS

MAY HIDE 'SEXTING'

The most common use for the apps is to hide 'sexting' images which young people may be sending or receiving. This problem is growing rapidly amongst students, and from an increasingly early age. Not only is sexting dangerous, but it is illegal when it involves a minor even if both the sender and receiver are underage. By storing and sending these images, young people should be aware that they are committing a crime.

ENCOURAGE IMPULSIVE BEHAVIOUR

Young people tend to act more impulsively if they believe that their behaviour will go unnoticed and remain secret, so often they will produce content for these apps thinking that it will be safe. Let's face it, how many adults read all the small print in the terms and conditions, so why would we expect our children to.

FAKE/DECOY PASSWORDS

Some of the most secure apps that are available offer the ability to set-up a decoy feature as an added layer of security. This allows the user to provide a fake password which, when used, directs people to a decoy folder containing content of the user's choice or just stock photos. The real password provides access to the secret folder within the app.

PRIVACY RISK

If you are aware that your children are using the app, you should read the small-print in the usage policy/terms and conditions to ensure the developers do not have access to any of the images stored on the device. If the photos are linked to a cloud storage, then the images stored are also in danger of being released if the application is compromised/hacked.

BYPASS PARENTAL CONTROLS

Although these apps are not specifically 'targeting' their advertisements towards children, they can generally be used by anyone over the age of 4. This means that these apps will not be blocked automatically by parental controls. Whilst online platforms, such as Apple, have removed these apps on numerous occasions from their app store, due to their popularity and potential profitability for creators, they continue to be produced and find their way into the stores or available for download.

Safety Tips For Parents

TRY TO REMAIN VIGILANT

There is a natural human instinct to believe that what we see on screen is real and accurate. If you are concerned that your child might be using secret apps, you may want to look at their phone. The search feature on a device can be used to type keywords such as 'secret', 'hidden' and 'photo vault'. On iOS, this can be done by swiping down on the home screen to open a search bar. If the app appears and says 'Open' then the app is installed. If it says 'Get' then it is not installed. On an android device, you can go to the apps menu and use the search bar at the top of the screen.

QUESTION THE AUTHENTICITY OF DUPLICATE APPS

You should be aware that almost every mobile device will have pre-installed apps, such as notes and calculator, so the first major warning sign would be to look for duplicates of these apps. By default, the pre-installed apps are almost always displayed on the first page of the home screen.

DISCUSS THE DANGERS OF 'SEXTING'

Ensure your child is aware of the dangers of sexting, and how it is illegal to keep or distribute images of minors. Try to talk to your children in a positive way and encourage them to take control of their online persona and what they are posting to others. Remind them that they always have a choice and that they can say no to anything that makes them feel even the slightest bit uncomfortable.

LOOK OUT FOR IN-BUILT 'HIDDEN' FEATURES

iPhones have the option to lock notes within the default Notes app. Users can paste images into a note file and lock it using Touch/Face ID and a password. In addition, iOS allows their users to move images to a Hidden folder in the photos app. When an image is moved to the hidden folder, it is removed from the 'All Photos' folder. To find this folder, open the 'Photos' app, scroll down and click 'Hidden'. Users may also create folders to try and hide the app on their home screen or on a second or third page. If you see a folder on your child's device, ensure you check each page for hidden apps.

CONTROL APP USAGE

If your child's iOS device is linked to your Apple ID account, you are able to set a password for downloading apps which only you know. This will mean every-time your child tries to download an app, they will need your password to do so. If you do not have access to your child's Apple ID, you can delete the app without a passcode. This will delete any images stored on the app and will not be recoverable, even if the app is redownloaded.

All Hallows is an 11-18 Catholic College with a strong moral and spiritual ethos. The Governors invite applications for the post of Lay Chaplain from practising Catholics in good standing with the Church. The College Chaplain provides spiritual and pastoral support to students and staff of the College. This position is seen as crucial in fulfilling the College's mission. The Christian faith and commitment of the College Chaplain will play a central role in bearing witness to this mission and maintaining the distinctive Catholic nature of the College.

Do you:

Live as a disciple of Jesus Christ in the Catholic Church?

Have a sound understanding of the Catholic faith and how to share it with others?

Enjoy working with young people and adults?

Know how to organise and plan liturgies and events such as the celebration of Mass, retreats and fundraising activities?

If so, we would like to hear from you. You will need good communication skills and the ability to work with a wide variety of people, including students, parents and carers, teachers and clergy. We belong to a strong network of Lay Chaplains within the Diocese of Shrewsbury and beyond, as well as providing ongoing CPD and faith formation.

Application documents can be found on All Hallows Catholic College website: <http://allhallows.org.uk/about-us/work-with-us/associate-staff-vacancies/>

You are required to complete the following documents:

Lay Chaplain Application Form / Recruitment Monitoring Form / Rehabilitation of Offenders Disclosure Form

All posts are offered subject to agreement to sign the CES contract of employment with the Holy Family of Nazareth Catholic Academy Trust and enhanced DBS clearance suitable for working with children and young adults.

Lent Diary 2020

You are very welcome to join us

Lent is a time of prayer, fasting and almsgiving. These are Lenten practices that all have a very real spiritual significance. They are an expression of the desire to be united with Christ, who emptied himself so that others may have an abundance of life.
